Osbornes  
Wills and  
Probate  
Service

osbornes<sup>o</sup>  
Solicitors LLP

We try and encourage clients, wherever possible, to make a will to ensure that their wishes are carried out on death, that unnecessary problems are avoided for those left behind and that full use is made of the tax-exempt nil rate band.

#### Our Team

The Wills and Probate Team at Osbornes is led by Jan Atkinson, who is a specialist wills and probate practitioner. She is a member of STEP (The Society of Trust and Estate practitioners) and a Registered Contentious Trust and Probate Specialist. She is a member of ACTAPS (The Association of Contentious Trust and Probate Specialists) and of the Executive Committee of the Probate Section at the Law Society.

#### Our Objective

Our objective is to provide a swift and specialised service at a reasonable price. We try and encourage clients, wherever possible, to make a will to ensure that their wishes are carried out on death, that unnecessary problems are avoided for those left behind and that full use is made of the tax-exempt nil rate band.

#### Our Work

We undertake a full range of wills, trusts and probate work as follows:

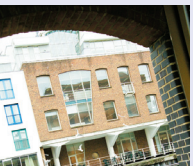

- Straightforward Wills
- Tax-efficient Wills
- Lasting Powers of Attorney
- Appointment of Deputies
- Trusts
- Deeds of Gift
- Tax Planning
- Probate
- Estate Administration
- Intestacy
- Deeds of Variation
- Inheritance Act Claims
- Probate Litigation

#### Our Charges

We charge a fixed fee for Wills, Powers of Attorney and Trust Deeds. Probate and Estate Administration work, including Intestacy, is usually charged on a time-spent basis, thereby avoiding large fees based on a percentage of the value of an estate, which is the usual way that large organisations such as banks charge for such work. Our charges are therefore extremely competitive.

Public funding may be available for Inheritance Act claims and Probate Litigation.
